# FG-A1 - 12 Volt Battery Back-Up Power Supply

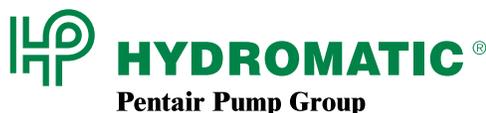

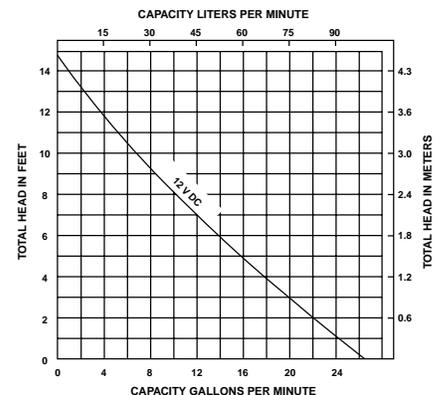

## Details

### Typical Installation

**FG-A1 BATTERY OPERATED BACK-UP SUMP PUMP IS DESIGNED TO BACK UP PRIMARY RESIDENTIAL SUMP PUMPS IN CASE OF PUMP OR POWER FAILURE.**

The FG-A1 features a separate float switch and built-in alarm which automatically starts back-up system and activates warning buzzer to protect against high water damage and warn of primary pump failure. Call your Hydromatic distributor or Hydromatic sales office at 419-289-3042 for more information.
